

**75TH
ANNIVERSARY
COMMEMORATION OF
MISSION #263
CZECH REPUBLIC
REUNION
AUGUST 23RD - 25TH, 2019**

Everyone is invited to attend the commemoration services for Mission #263 which resulted in the loss of the entire 20th Squadron and 3 other bombers. We will visit many of the monuments and crash sites and honor the loss of the 41 American Airmen who died in that battle August 29, 1944. We are arranging transportation from Vienna Airport to the hotel in the Czech Republic. The hotel costs will be very nominal and we are working to arrange bus and car pools depending on the size of the group. Our hosts will escort us and no worries about the language. **Plan on arriving at the Vienna airport by Thursday, August 22nd, 2019 5:30 PM to join the caravan to Slavcin, CZ! Make the memory of a lifetime!**
