Dear Clarence, got your letter of the 22 surely glad to hear from you, seems like your mail was stacked up some where glad you got them. I think you will still have a little money in the bank when you had \$225 after I got your bonds and 2 mo. allotments as you should have \$525 now. I haven't used any of it and wont unless it's absolutely necessary. I've got the baby's pictures we were going to send you one but thought you might not get it before you come home so maybe we better not send it but we may send it on. Finally got a box to put your things in they are hard to find sometimes as well as the contents. I let Lorene and Helen have a bite of candy now and then I usually have to keep it hid or they would eat it all. I never did get your Bible so I guess I wont send it now - I am making ? a pr. of gym shorts and have a dress to make for myself. I haven't made any in so long, it's sew or else. Ha! So by for this time May God Bless and keep you safe from all harm.

Lots of Love from Mother Dad Laney Helen and
Charlotte Ann.
